MISS CONGENIALITY

Sandra Bullock gets physical in Miss Congeniality, bringing her powerhouse talent for physical comedy to the role of an operative posing as a pageant contestant in order to ferret out a terrorist targeting the event. Michael Caine deliciously plays the frustrated consultant hired to turn the FBI's Dirty Harriet into a poised beauty. And Benjamin Bratt, Candice Bergen, William Shatner and Ernie Hudson also score points for hilarity in this box-office smash.

MISS CONGENIALITY 2

Sandra Bullock returns as Special Agent Gracie Hart in a funny, fabulous Miss Congeniality follow-up. This time, she's the bureau's new celebrity face, making the rounds of talk shows (her heroics at the Miss United States Beauty Pageant made her too famous for field work). She also has a new partner (Regina King), an agent with anger-management issues and a dim opinion of pampered Gracie. But when Gracie's friends (returning stars Heather Burns and William Shatner) are kidnapped, nothing can keep Special Agent GS13 out of the action. Look out world. The cover girl is going back undercover!
